Years 9 to 11 Boarding:	£10,290	6th Form Boarding:	£10,690

Please note, fees are updated in the Spring Term

Deposits: An Acceptance Deposit is payable by all parents when the signed Acceptance Form is submitted. For reasons of administration an Additional Deposit is also payable by parents who are considered normally resident outside the UK. When the student has left the school, the residue of the deposit(s) will be paid after deduction of all sums due. Full details are contained in the terms and conditions of entry.

Acceptance Deposit: Nursery to Year 6 – £300 Year 7 and above – Day Students £500 Boarders £750

Additional Deposit: Equal to one term's boarding fees less the Acceptance Deposit.

Full boarding fees: These include most weekend activities though some trips may be charged.

Occasional boarding: Day students in Years 7 and 8 may board up to a total number of nights equivalent to two nights per week for that specific term. Day students in Years 9 – 13 may board up to a total number of nights equivalent to one night per week for that specific term. The occasional boarding rate is £45.00 per night; this charge is not inclusive of weekend activities.

Registration fee: A nonreturnable Registration Fee of £100 is payable.

Fees due and notice: Fee accounts are payable by the first day of each term and, in accordance with the School's Terms and Conditions of entry, at least one whole term's written notice must be given if withdrawing a student from Frensham or changing status from boarding to day student otherwise fees in lieu of notice will be due. Where a charge is disputed the amount in issue should be deducted from the fee account and a note sent to the Bursar to explain. An additional fee will be payable for undisputed amounts not paid by the due date; this will be accrued on a daily basis at the statutory interest rate of 8 per cent a year above the Bank of England base rate.

Expenses Covered: The fees cover most classroom stationery, lectures, arts materials and books. Additional charges may be made for trips, some creative arts (particularly at GCSE and A level), some revision material, some transportation and use of nonschool sports facilities. Parents will be made aware of additional charges before these are added to bills. Individual music lessons, external examination and individual invigilator fees are extra. The fees cover all routine meals for boarders and lunches for day students in term time; additional meals taken by day students will be charged at a cost of £3.60.

Music: Payment for music lessons is direct to peripatetic music teachers. The charge for this year for individual lessons is £41.55 per hour (equal to £277 for ten 40 minute lessons).

Medical & Dental Attention: British and European Union citizens are covered for medical services under National Health Service (NHS) arrangements. Nationals of other countries may **not** be entitled to NHS care and could therefore be charged by doctors, dentists, hospitals, pharmacists etc., for supplies and services provided. The School does not participate in any scheme providing for students' personal health or accident; parents are expected to make their own choices and independent arrangements in these respects. All boarders are covered under the 'Denplan for Schools' scheme; the cost is included in the boarding fees. The scheme provides cover in the event of a dental injury or dental emergency, whether at school or at home. The services of a trained counsellor are available at the School; initial sessions are free of charge but longer term cases will be charged as an extra.

Personal Effects Insurance: Parents must ensure that personal possessions at School are insured adequately; these are not covered by the Schools' insurance. This can normally be done by an extension to family household contents policies.

Teaching English as a Second Language (TESL) Fee: An annual fee of £1,056 is payable for those international students for whom English is not their primary language and who, in the School's opinion, require additional support in this area. This fee covers a maximum of 2 lessons per week for the year. Parents will be advised if further lessons are required at additional cost.

Boarders' Pocket Money: Years 7 to 9: Sufficient money should be left with the school at the start of each term to meet individual cash requirements during the term. As needs vary widely, no particular sum is suggested and it is recommended therefore that housestaff be consulted in advance. Funds for this purpose should be given directly to school and not included in the main fee account. **For students in Year 10 and above,** bank accounts may be able to be arranged locally. These should be arranged by parents, although assistance is available from the Accounts Office, and may be of particular use where parents live overseas.

Boarding Experience: To provide day students and parents with a better understanding of boarding, a two week boarding experience is available for a charge of £250, once in a student's time at the School. Details and dates are available from the Bursar's office.

Sibling Discount: Where elder siblings have completed, or will complete, a phase of education at Frensham Heights, then third and subsequent children will receive a 10% discount on fees throughout their time at the School.

Transport: For 2019/20 the School intends to run return buses from and to Farnham Station, Guildford, Haslemere and Fleet. There is also a weekend return coach to Waterloo Station. Details of the routes and costs are available from the Bursar's office.

All school accounts and charges are payable in sterling on a UK bank. The School operates a mandatory system whereby termly fees are collected by direct debit.

The School's bank details are as follows:

HSBC Bank plc, 33 The Borough, Farnham Surrey GU9 7NJ UK
